

Assistant Ecologist

Description

Crestwood Environmental Ltd. is a well-established multi-disciplinary company providing environmental planning and associated expertise (including [EIA, landscape architecture, ecology, archaeology, arboriculture and environmental consultancy](#)) to a wide variety of sectors and clients, and is proud to be a **Chartered Environmentalist Employer Champion**.

We currently have an **Assistant Ecologist** job vacancy, join our successful multi-disciplinary team to further your career.

Supported by a strong team of dedicated professionals and an ever-increasing client base plus impressive work stream, all of the ingredients are there for the right person to join our company and build a successful career.

Part-home-working and flexibility on location, but preferably located within the vicinity of West Midlands, London and Home Counties.

The role will require the undertaking of habitat (PEA, Phase 1 habitat surveys) and protected species survey work, report writing, desktop studies, working with sub-contractors and a variety of other important work areas.

Responsibilities

The successful candidate will be able to demonstrate suitability in relation to several areas, including a number of the following:

Qualified to at least degree level in a relevant environmental subject;

Minimum of 1 years' relevant practical ecology experience in ecology consultancy;

A good practical understanding of habitat and species survey techniques;

Having or working towards protected species survey licence(s);

Good proactive communication, time management and organisation skills;

Good customer care awareness;

Attention to detail; and

Friendly, supportive, collaborative, 'can do' approach.

As the role requires working on projects around the UK, a full UK driving licence and ability and willingness to drive to project locations around the UK, sometimes with overnight stays, will be required.

Job Benefits

A competitive and flexible remuneration package commensurate with the position (including mobile phone and laptop);
