

CRESTWOOD ENVIRONMENTAL LTD

Senior Ecologist – Flexibility on location

Crestwood Environmental Ltd. is a well-established multi-disciplinary company providing environmental planning and associated expertise (including EIA, landscape architecture, ecology, archaeology, arboriculture and environmental consultancy) to a wide variety of sectors and clients, and is proud to be a **Chartered Environmentalist Employer Champion**.

We are currently seeking an experienced **Senior Ecologist** to join us and assist in developing and mentoring the ecology team and the respective area of the business.

Supported by the Senior Management team, together with a strong and ever-increasing client base, impressive work stream, a great team of dedicated, professional (multi-disciplinary) staff, collaboration on developing areas of ecology (e.g. environmental lighting), all the ingredients are there for the right person to join our company and build a successful career.

Location: Part-home-working and flexibility on location, but preferably located within the vicinity of West Midlands, London and Home Counties.

The role will require an ecology professional competent in areas of technical expertise, team leadership, client relationship, project management, business development and with some practical experience in producing EcIA, Management Plans (e.g. CEMP, LEMP), Biodiversity Net Gain and EPS license applications. The role will be wide-ranging (with 'office' and field-based assignments) with requirements for mentoring of team members.

In return, the Company can offer:

- A competitive and flexible remuneration package commensurate with the position (including mobile phone and laptop);
- A commitment to facilitating a Personal Development Plan through training etc.;
- Payment of key professional subscription fees; and
- A fair TOIL and flexible leave arrangement.
